

1 Day Intensive Aviation Fire Training & Exercising Programme

Are there people in your team who would benefit from a skills refresh in a realistic and demanding training environment with exposure to the authentic physical and environmental conditions of a hydrocarbon liquid fire?

Do you operate an internal maintenance of competence scheme but would like the opportunity to have fresh scenarios to test your crews?

Would training with kerosene burns and the ability to discharge high volumes of foam and powder be valuable in preparing your firefighters for an emergency?

If so, the IFTC's new one day intensive fire training day has been designed for you.

Pre-Course Requirements

*Certified satisfactorily completed initial training.
Learners must be physically fit to participate in all aspects of the training.*

Programme Content

- Cat 7 refueling incident.
- Cat 5 incident with light aircraft.
- Cat 9 internal fires including flashover.
- Cat 8 engine and undercarriage fires with search and rescue into the Cat 10

Benefits of the Programme

- A fresh test and challenge for firefighters with an internal MOC
- High-value development for firefighters in your talent pool
- Additional training for firefighters with identified skills gaps
- Share learning with firefighters from other airports
- Exposure to black smoke burns to meet EASA recommendations

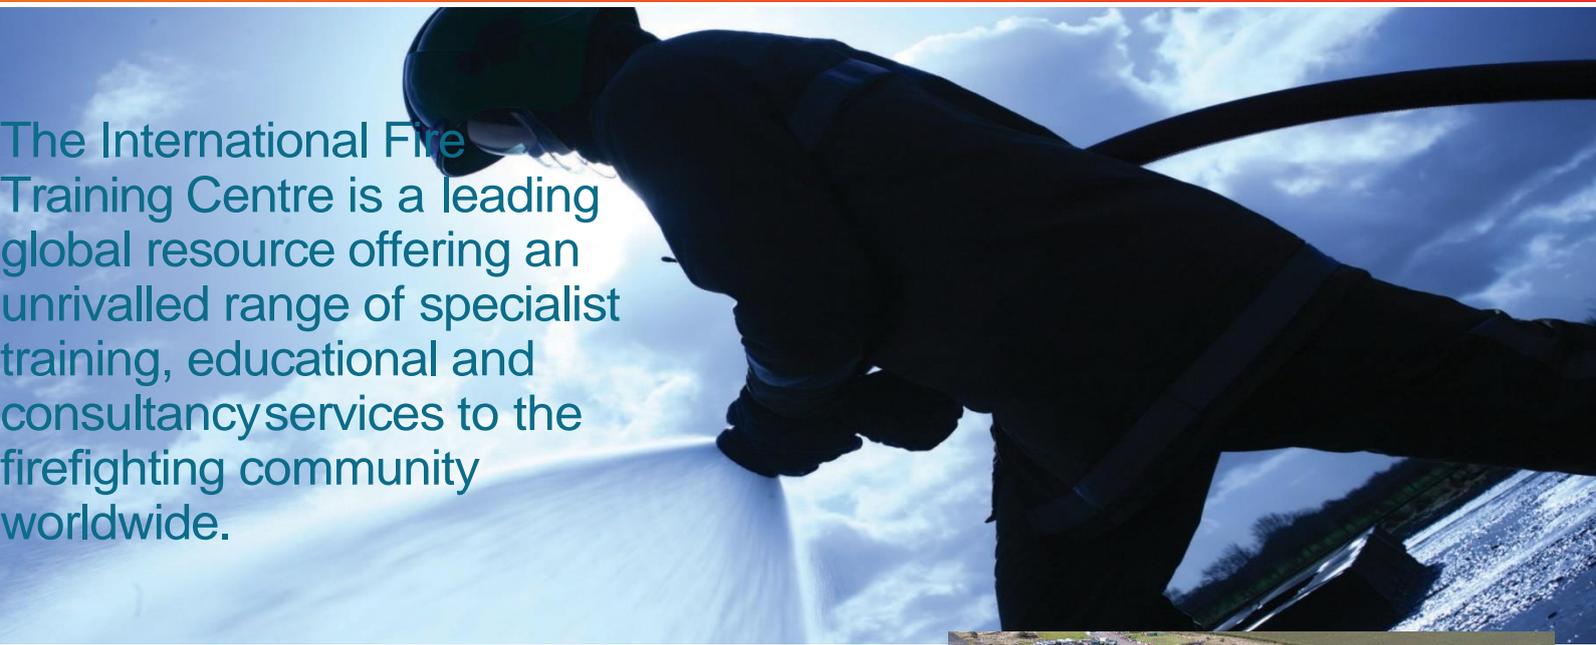

Dates of Training

- July 13th - July 14th 2020
Training begins at 12pm on 13th
and completes 12pm on the 14th
- Dec 14th – Dec 15th 2020
(to include a night exercise)
Training begins at 12pm on 14th
and completes 12pm on the 15th

Cost of Training

£400 +vat per delegate, includes all training materials, PPE, meals and 1 night accommodation

About IFTC

The International Fire Training Centre is a leading global resource offering an unrivalled range of specialist training, educational and consultancy services to the firefighting community worldwide.

www.iftcentre.com

Each year, we welcome on average 10,000 delegates from across the world to our fire training ground. Below is some of the feedback which they have given us...

As usual the staff and the instructors are friendly and accommodating. The instructors are world class and have endless time for you to enhance your knowledge. The fireground is an excellent asset and I thoroughly enjoy being there.'

– S. Dexter, Ireland

Truly can't fault anything at the IFTC. From the course to the teaching, food, cleaners, bar staff and everyone that works here. The fireground is superb and I feel like I learned so much. I would advise anyone who gets the chance to come here. Brilliant experience.'

– G. Johnson, UK
