Our 9 Acre live fire training ground, range of simulators and inclusion of vehicles in exercises, will provide challenging and comprehensive training for your team.

With the health and safety of our delegates in mind, we now burn HVO fuel for our exercises to reduce emissions, whilst maintaining realistic training scenarios.

You are welcome to arrange a visit!

All Open Aviation courses, Initial and revalidation are mapped to satisfy the requirements of CAP699.

IFTC are the only ICAO Train Air Plus Associate Member in the UK offering live fire training.
